

## Industrial Training

14/04/2010 18:10 by rampol

Â Memorandum of Understanding (MoU) with Industries To support structured training and placement opportunities, Ramgarhia Polytechnic College has signed Memorandums of Understanding (MoUs) with several reputed industries in and around Phagwara. These collaborations ensure:

- Timely and relevant industrial training for students
- Access to modern tools, technologies, and processes
- Potential employment opportunities for meritorious candidates
- Strengthened industry-academia partnerships

These MoUs reflect the college's ongoing commitment to providing industry-integrated education and promoting skill-based learning in alignment with current market needs.
