

## Vision & Mission

25/05/2025 01:16 by rampolyphg

### Â Â Mission

-  
-  
1.Â Â Â Â Â To provide high-quality technical education through a balanced curriculum, advanced infrastructure, and a committed, experienced facultyâ€”ensuring academic excellence and relevance to industry needs. 2.Â Â Â Â Â To equip students with practical skills, critical thinking, and problem-solving abilities through experiential learning, workshops, and live industrial projects. 3.Â Â Â Â Â To foster strong industry-institute linkages that expose students to emerging technologies, workplace ethics, and professional practices. 4.Â Â Â Â Â To inculcate values of discipline, integrity, inclusiveness, and environmental responsibility, shaping students into principled and socially conscious professionals. 5.Â Â Â Â Â To promote the holistic development of students by encouraging innovation, entrepreneurship, leadership, and effective communication.
