Dear Students,

As per Punjab Government orders and due to Coronavirus Epidemic(CO VID-19), the college will remain closed till 14 April 2020. During this period, your loss of study will be compensated surely. Therefore the study material and video lectures which has been given by your teachers will be uploaded on this website time to time.

So keep checking college website for updates.

Beside it i would like to share some points as below:-

1. Never do any such things which makes you and your family in trouble.
2. Wash your hands properly.
3. Maintain proper Hygiene.
4. Do not go outside unnecessarily.
5. Follow the government of india guidelines.
6. Never panic, stay calm.
7. Follow Social Distancing.

At last i would like to appeal you to "Stay Home and stay Safe".

Thanks and Regards, **Principal Ramgarhia Polytechnic College**
