

## **Ramgarhia Polytechnic College, Phagwara announces admissions open for the 2025-26 session.**

04/06/2025 22:22 by rampolyphg

We invite aspiring students to join our diploma programs in Civil, Mechanical, Electrical, Electronics & Communication, and Computer Science & Engineering. With a focus on hands-on learning, industry-relevant curriculum, and experienced faculty, our college provides an ideal environment for technical growth. Students benefit from fully equipped labs, regular industrial visits, placement assistance, and various scholarship opportunities. Limited seats are available. Interested candidates are encouraged to visit the campus or apply online.Â
