Admission to Diploma Courses Session 2025-26

(Ramgarhia Polytechnic College, Phagwara Affiliated to PSBTE & IT, Chandigarh)
Ramgarhia Polytechnic College, Phagwara invites online applications for admission to Diploma Level Courses for the academic session 2025-26. The admission process is governed by the Punjab State Board of Technical Education and Industrial Training (PSBTE & IT), Chandigarh, and will be conducted through centralized online counselling. Our college offers five major diploma programs designed to build strong technical expertise and prepare students for successful careers in engineering and technology. These programs are: Civil Engineering, Mechanical Engineering, Electrical Engineering, Computer Science and Engineering, Electronics and Communication Engineering. These industry-oriented diploma courses are structured to impart practical knowledge, technical skills, and professional ethics to our students, making them ready for both jobs and further studies. We also offer Lateral Entry admissions directly to the second year of the diploma for students who have completed ITI or 10+2 (vocational stream). In addition, working professionals seeking formal qualifications can opt for special diploma programs designed specifically for them.
