

Pride of the Institution: Students Secure Top Ranks in Punjab

02/04/2026 07:28 by rampolyphg

^ Outstanding Achievement by Students at State Level (Punjab Technical Board) We are proud to announce that the students of our institution have achieved remarkable success at the state level under Punjab Technical Board, bringing immense pride and honor to the college. The following students have secured top positions across Punjab: Jashkaran Singh (Electrical Engineering) ^" 1st Rank Rai Vishal (Mechanical Engineering) ^" 7th Rank Ratan Kaler (Electronics & Communication Engineering) ^" 17th Rank This outstanding achievement reflects the dedication, hard work, and academic excellence of the students, along with the continuous support and guidance provided by the faculty members. On this proud occasion, Principal Mrs. Rupinder Kaur extended her heartfelt congratulations to the students. She sincerely appreciated their dedication and perseverance, stating that such remarkable achievements not only bring great honour to the institution but also inspire fellow students to strive for higher goals and uphold the cherished tradition of excellence. She further added that the college remains committed to providing quality education, practical exposure, and a supportive learning environment to help students excel at both academic and professional levels. The entire institution celebrates this success and wishes the students continued achievements in their future endeavors.
