

A Double Triumph at PTIS Games 2026-27: Ramgarhia Polytechnic College Football Team Wins Gold

14/10/2026 19:00 by rampolyphg

Phagwara, October 14, 2026: Excellence on the playing field brought another moment of pride to Ramgarhia Polytechnic College, Phagwara, as its Football Team clinched the Gold Medal (First Position) and its Volleyball Team secured the Silver Medal (Second Position) at the PTIS Games 2026-27. These accomplishments reflect the determination of the players, the commitment of their mentors and the institution's continued emphasis on developing confident, disciplined and well-rounded individuals through sports.

The achievements highlight the college's belief that education extends beyond academic learning. Sports provide students with opportunities to demonstrate leadership, develop resilience, work collectively towards a common goal and learn the value of dedication and fair play.

Football Team Clinches Gold with an Outstanding Performance The Football Team of Ramgarhia Polytechnic College delivered a commendable performance to secure First Position and the Gold Medal at the PTIS Games 2026-27. The players displayed determination, coordination and a strong competitive spirit, bringing recognition and pride to the institution.

Special appreciation goes to Sardar Gaganpreet Singh, Lecturer in Electronics and Communication Engineering (LECE), the football team in-charge, for his dedicated efforts in guiding, preparing and motivating the players. His contribution reflects the importance of committed mentorship in helping young athletes build confidence, strengthen their abilities and perform effectively in competitive environments. The team's achievement stands as a testament to the players' collective effort and their commitment to representing the college with determination and sportsmanship.

Volleyball Team Earns Silver Medal Adding to the college's sporting success, its Volleyball Team secured Second Position and the Silver Medal at the PTIS Games 2026-27. The team demonstrated commendable skill, perseverance and coordination, reinforcing the importance of teamwork and collective responsibility in competitive sports.

The college acknowledges the valuable support and contribution of Mr. Pardeep Dhiman, Lecturer in Chemistry; Mr. Varun Shingari, Head of the Electrical Engineering Department; Mr. Charandeep Singh, Head of the Civil Engineering Department; and Mr. Amandeep Singh, Workshop Department, in connection with the volleyball team. Their encouragement and involvement helped foster a supportive sporting environment, motivating the players to give their best and represent the institution with pride. The team's success reflects the combined value of preparation, commitment and encouragement in nurturing sporting talent.

Principal's Appreciation Principal Mrs. Rupinder Kaur expressed her appreciation for the medal-winning teams and the faculty members who supported their preparation and participation. She emphasised that sports play a significant role in shaping students' personalities, strengthening their confidence and teaching them to face challenges with determination. Congratulating the Football and Volleyball Teams on their achievements, she highlighted the importance of discipline, teamwork, perseverance and respect for others, explaining that these qualities are essential not only for sporting success but also for professional growth and responsible citizenship. She further encouraged students to make the best use of the opportunities available to them, remain committed to their goals and maintain a healthy balance between academic responsibilities and extracurricular activities. The Principal reaffirmed the college's commitment to encouraging student talent and creating an environment in which every learner is motivated to grow, contribute and achieve excellence. Her message reflects the institution's broader educational philosophy: the true measure of success lies not only in winning medals but also in developing character, confidence and the determination to keep improving. **Collective Effort Behind the Achievements** The college also acknowledges the contribution of Director Dr. Vyoma Bhogal Dhatt in supporting the institution's emphasis on educational excellence and the holistic development of students. The encouragement of the college management, the leadership of the Principal and the efforts of Sports President S. Manjit Singh continue to support a positive environment for sporting participation and healthy competition. The dedication of the respective team in-charges and the commitment of the players have been important elements in

these achievements. Their collective efforts demonstrate how encouragement, preparation and a shared sense of responsibility can translate into meaningful results. Sports: Preparing Students for the Challenges of Tomorrow At Ramgarhia Polytechnic College, sports are recognised as an important component of technical education. The playing field teaches lessons that complement classroom learning: how to work under pressure, respect different perspectives, accept challenges, recover from setbacks and remain focused on a common objective. These experiences help students develop qualities that are valuable in engineering, industry and everyday life. By encouraging sporting activities alongside academic learning, the college seeks to prepare students not only for professional opportunities but also for the responsibilities and challenges they will encounter beyond campus. The Gold Medal won by the Football Team and the Silver Medal earned by the Volleyball Team stand as encouraging examples of what dedication, teamwork and institutional support can achieve. Congratulations to the Medal-Winning Teams Ramgarhia Polytechnic College congratulates both teams, their players, team in-charges and everyone who contributed to these commendable performances at the PTIS Games 2026â€“27. Their success has brought distinction to the institution and created fresh motivation for other students to pursue their aspirations with confidence and commitment. With the continued guidance of Honâ€™ble Chairperson Mrs. Manpreet Kaur Bhogal, the leadership of Principal Mrs. Rupinder Kaur and the collective efforts of the college community, Ramgarhia Polytechnic College remains committed to nurturing talent, encouraging participation and promoting excellence in every sphere of student life. One institution, two remarkable team achievements, and one shared vision of excellence. At Ramgarhia Polytechnic College, every victory is an opportunity to inspire the next generation to aim higher, work harder and achieve more.
